## SENATE PASSES AMIS BILL.

### AMENDMENT LEGALIZING BETTING AT ARKANSAS TRACKS IS KILLED.

### Bookmakers at Oaklawn Are Arrested—Dreary, Dismal Opening Day—Outlook for Meeting Decidedly Bleak.

Hot Springs, Ark., February 4.—Racing began at Oaklawn this afternoon, but the Hot Springs Jockey Club is up against as tough a proposition in the struggle for existence as any racetrack management ever tackled. The worst of its troubles is the action of the upper house of the legislature at Little Rock this afternoon on the Amis bill. The amendment legalizing betting within the track inclosure was killed by a vote of 17 to 12 and the bill, as it was originally drawn, was passed by a vote of 27 to 2.

It is hardly to be questioned that it will pass the lower house and receive the signature of Governor Little. However, it is contended that this will not transpire for at least fifteen days and it is stated tonight that the meeting will continue all of that period, notwithstanding the attitude of County Judge Sumpter, under whose instructions constable John Smith arrested some of the bookmakers today.

It was a dreary, dismal day. During Sunday night snow fell and the temperature took a sudden drop. Few people ventured out, but those who did come were comfortable enough once they were in the big grandstand where the glass frames were lowered across the front and the heat was turned on full force. Only five bookmakers put in their names for stands and after they had taken their places in the betting ring, constable Smith and a force of fifty deputies filed into the track. Betting had been in progress about five minutes when two of the bookmakers and their crews were arrested.

After the constable's departure with his prisoners, their places were filled and business was resumed as if nothing had happened. The arrested men were taken before Justice of the Peace Archer, who accepted bonds for their appearance before him tomorrow.

At intervals during the remainder of the afternoon other arrests were made. The layers arrested were John Wolf, Leo Wagner, Ben Snow and William Armstrong. The men, after their release, returned to the track and in some instances were rearrested.

Constable Smith, after taking the first batch of prisoners to town, failed to return to the track, leaving his deputies to continue the arrests.

A temporary injunction was issued this morning in the Chancery Court to restrain the sheriff, constable or deputies from collecting the \$100 per day license or ground tax which County Judge Sumpter insists that Oaklawn must pay. The Oaklawn officials were compelled to furnish bond of \$1,000 to insure the payment of the fee, should the case be eventually decided against the Hot Springs Jockey Club. Nothing but soft drinks were sold at the track, Judge Sumpter some days ago refusing to issue the track management a liquor license.

Louis A. Cella arrived tonight and is in conference with Dan A. Stuart. No statement was made by either of them for publication. Predictions are unsafe. It is best to await results. The sport began with a dead heat, the first at any track this year. It was between the two-year-olds Ida May and Laura Clay. Their owners divided the purse. Laura Clay was clearly the best, as she had much the worst of the start and was taken the longest way throughout. Showing rare gameness, she gradually wore down Ida May. In another stride she would have been the undisputed winner.

Starter Dade was unfortunate in having the arm of the barrier next to the inner rail hang when released, causing three of the youngsters to be left at the post.

The meeting of crack sprinters at six furlongs, in the fourth, was the chief race on the program. Wing Ting, which had been working fast trials at Memphis and also here, was considered unbeatable, but lack of condition did for her. Jake Sanders wore her down after going five furlongs and won with plenty in reserve. Jake Sanders should show improvement in his next start. T. P. Hayes' fast filly, Lillie Turner, which took sick after showing well last year, was poorly handled. She displayed nothing startling, but will be right there among this kind when in proper racing condition.

The bookmakers complained after the closing race that they had sustained considerable losses despite the defeat of four choices. All the winners had a strong following and, as only two or three horses in any race received support, the layers were unable to round up their books.

### LAGARDE STAKES TO GRACE LARSEN.

### City Park's Third Period Opens with Bad Weather and a Heavy Track.

New Orleans, La., February 4.—The City Park Jockey Club began the third period of its winter meeting with bad weather. It rained hard all morning and the change in track conditions ruined what looked like an excellent card. Withdrawals were numerous and in most of the races small fields went to the post. With Tiling an absentee, the Lagarde Selling Stakes, the day's feature, was robbed of much of its interest. After the withdrawal of Tiling, Tom Dolan appeared to have the prize as good as won and was backed at odds-on. Cook's colt ran well for six furlongs, but tired when challenged

by Grace Larsen, which finished a half length in front of him. Tom Dolan was nervous about a month ago and the heavy track undoubtedly had much to do with his defeat. The winner's portion of the stake was \$1,430.

In the steeplechase, which was for maiden jumpers, M. J. Daly showed up what seems like a promising steeplechaser in Kara. This was Kara's first appearance in public through the field and he showed himself a pretty shifty sort of a fencer. When Morrison trotted him to the first jump on his way to the post he stood still a moment and then hopped over it like a hunter. Kara ran like a horse that likes jumping, spreadeagled the others while going the first time around and the last half of the journey found Morrison having him well in hand.

Pat Dunne's Derby candidate, Lens, proved an easy winner in the fifth race. This colt is being pointed for the City Park and Kentucky Derbys and, provided he meets with no mishap, is a certain starter in both.

Francis Trevelyan arrived from his home at Charlottesville, Va., last night and was at his accustomed place in the judges' stand this afternoon. He is greatly improved in health, although his voice still troubles him some.

James McLaughlin has arranged to ship the division of his stable that he is racing here to Benning on Saturday next. R. J. Walden will send his lot north in the same car. Al Weston may also ship the Clyde horses to Washington at the same time. Jockeys Seder, J. Daly and Graham were suspended for four days by the starter for disobedience at the post.

Jockey Garner, who has probably a larger following than any other boy riding here this winter, will not be seen in the saddle again for a week or ten days. The lad contracted a cold last week which developed unfavorably and James McCormick, his manager, will not permit him to ride again until he is well and strong. His loss is keenly felt by Mr. McCormick, as his horses are just now getting on edge.

Jack Martin returned to the saddle today and rode two winners.

### CARMAN BUYS ALL WALSH'S HORSES.

### Price Reported as \$40,000—Special for Ampedo, Arimo and Colonel Jack.

Los Angeles, Cal., February 4.—R. F. Carman evidently purposes racing on the eastern tracks this year on a pretentious scale, for he bought the entire string of J. J. Walsh today. It is reported that he paid \$40,000 for the nineteen horses, among them Arimo and half a dozen promising youngsters. Jockey M. Preston will in all probability do the riding for Mr. Carman.

John Brink, who owns the string racing here under the name of E. Wayland, was much disappointed with Ampedo's showing today and expressed a belief the colt could beat Colonel Jack and Arimo in another race at the same distance. The owners of the other two horses, however, were of a different opinion and the upshot of the matter was the arrangement of a three-cornered race at one mile for next Thursday, each horse to carry 105 pounds. Each owner puts up \$500 and the association will add \$1,000, the only provisions being that the track must be in good condition.

Borghesi, Kercheval and Ramus arrived from Oakland today. George W. Durfee will leave for Hot Springs next week. J. O. Keene will send two colts to run in the Woodlands Stakes. Frank J. Robinson, a well-known New York horseman arrived today and will remain a month.

### HULFORD BREAKS DOWN AT OAKLAND

### Albia Makes Her Supporters Happy—Bad Weather and Unsatisfactory Racing.

Oakland, Cal., February 4.—Deplorable weather and track conditions prevailed today. The card was one of the cheapest of the present meeting. Upsets were frequent and the racing unsatisfactory, yet there were fully 6,000 race-goers present and the betting was brisk. I kept the thirty-four books busy handling the money.

A big killing was made over the victory of Albia in the opening race. A. Brown was substituted for Horner and he rode an impressive race on the Griffin filly. Hulford, the red hot favorite in the fifth, seemingly had his race won when he suddenly broke down a furlong out. The owner sold the aged gelding on the spot to Paddy Lynch for \$200.

Mitre was claimed out of the third race by H. Mack for \$1,125. The latter's filly, Blanche C., winner, was bid up from \$700 to \$900 and bought by S. Polk.

C. C. McCafferty, who has been ill, was at the track today. He signaled his return by trading Mill Song for a three-year contract on the apprentice lightweight rider Lycurgus.

Harry Mason sold his good filly Dollie Dollars to A. Buchanan today for \$2,500.

J. O. Keene was taken suddenly ill at the track this afternoon.

Walter Miller did not ride today. James Fitzsimmons, his manager, did not like the mounts that had been made for him and cancelled all engagements.

### TRAINER SUES OWNER.

A cablegram from Paris, France, to the new York Sun says: "William Donoghue, a well-known American trainer of thoroughbreds, has brought suit against C. Pizer, a prominent owner on the French tracks, for breach of contract. Donoghue, who is now the trainer of Mrs. Langtry's stable in England, came to Paris several years ago under an engagement to train for Pizer, but after some time he received a telegram from Pizer ordering him to turn the horses over to John Campbell, another American, who was at one time of the turf firm of Walcott & Campbell.

"Pizer did not have much of a stable on the

Escalante indulged Right and True with the lead to the head of the stretch, then quickly dashed into a decisive lead and won as his rider pleased. Toupee moved up fast when a quarter out and, coming on fast, finished resolutely. Right and True showed superior early speed, but tired in the final furlong. Oratorian finished with a rush and would have been third in a few more strides. Mintia ran a poor race for him.

Royal Rogue got off poorly, but made up ground gradually after passing the far turn and, finishing fast under a hand ride, got up to win in the last few strides. Halton showed much speed throughout and ran a good race, but tired in the closing strides. Revolt closed a gap, made up ground steadily in the final quarter and finished fast. Lotta Gladstone showed speed, but tired in the final sixteenth. Susannah showed early speed, but failed to stay. James M. stepped in a hole on the far turn and broke a leg. The winner was in for \$600; no bid.

Winner—Ch. c. by Solitaire II.—Magdalena (trained by J. Blute). Went to post at 3:23. At post 3 minutes. Start good. Won easily; second and third the same. Arimo is a good colt, in fine form and showed brilliant speed throughout, was taken the shortest route and, easily coming away from Colonel Jack in the final sixteenth, won with plenty to spare. Colonel Jack followed the winner closely for six furlongs and almost reached him when an eighth out, but tired and hung badly in the last sixteenth. Ampedo began slowly and was outrun all the way, loomed up momentarily after turning for home, but fell away fast when an eighth out. It was strictly a three-horse race, although Lord Stanhope went well for three-quarters. Ormonde's Right ran poorly.

Overweights—Lord Stanhope, 11 pounds.

### WILLIAMS GETS BEST COLT ON COAST.

Pays Hildreth \$10,000 for Firestone—Hildreth's Success with Two-Year-Olds.

A dispatch from San Francisco brings the information that S. C. Hildreth has sold the two-year-old colt Firestone, by Royal Flush III—Modreda, to President Thomas H. Williams, of the New California Jockey Club, for \$10,000. Aside from training expenses, this \$10,000 is a clear profit to Hildreth. He paid \$1,100 for the colt at the sale of the Rancho del Paso yearlings at Sheepshead Bay last June and in his three starts at Oakland Firestone won \$1,150. That he is the best colt shown in California thus far this winter goes without saying. Mr. Williams may decide to hold Firestone over until his three-year-old year before racing him again, but if he chooses to permit him to fill his engagements in the east this year it is a safe prediction that the son of Royal Flush III will give an excellent account of himself in the best of company. Last summer Hildreth bought twenty-two yearlings at the auction sales for an aggregate of \$14,200 and picked up two or three others privately, making something like twenty-five head in the lot he took to California last fall. With the sale of Firestone and the winnings of the youngsters that have carried his colors, the remaining twenty-one of those bought at the auctions stand him practically nothing. Hildreth's success in two-year-old racing at Oakland this year has been remarkable. At the same time it is a splendid testimonial to his judgment in selecting racing material and to his knowledge of training. Of the twenty races for two-year-olds thus far decided at Oakland Hildreth has won eleven, J. O. Keene four, Barney Schreiber two, T. H. Williams two and F. W. Healey 1. Hildreth has started nine two-year-olds and has won with seven of them, as follows:

### EXTENDS CORPORATE EXISTENCE.

New York, February 4.—There has been filed in the County Clerk's office in Brooklyn the consent of stockholders of the Brighton Beach Racing Association for an extension of the corporate existence for twenty-five years. The papers show that William A. Engeman owns 2,700 shares of the 3,000 shares, and that he voted the entire number in favor of the extension. The papers are signed by C. J. Fitzgerald, president, and Thomas M. Jackson, secretary.

### SALE OF MEADOWTHORPE STUD.

On another page appears the advertisement of the dispersal sale of the Meadowthorpe Stud of the late Colonel James E. Pepper. The sale will be conducted by the Kentucky Sales Company at Lexington, February 9. The farm embraces 225 acres and is about two miles from Lexington. Three stallions, thirty-seven broodmares, five two and three-year-olds and eighteen yearlings are listed for the auction. These horses are well bred. Among the broodmares are some noted producers. The yearlings are said to be an exceptionally good looking lot.

### FAMILY CLUB HANDICAP ENTRIES.

 Went to post at 2:56. At post 2 minutes. Start good. Won easily; second driving; third the same.  
 The Borgman made the running throughout never fully extended and was easily best. Anvil in extra good form, ran within striking distance in the early running and finished fast. Funny Side maintained close and game, but unavailing, pursuit of the winner to the last sixteenth, where she tired as if short. St. George Jr. had no mishaps, was well up all the way and quite good enough, but will improve. Warthe Night was always in bad going and well up throughout. Early Hours made up ground at the end. Captain Burnett had no chance with a bad ride and was outclassed, anyway.

 Went to post at 3:21. At post 1 minute. Start good. Won easily; second driving; third the same.  
 Byronerdale broke slowly, but steadily improved his position and made good with a great rush through the stretch. Daniel C. was well up all the way and finished with an unexpected rush in a cracking race. Trapsetter was a good horse, but made a premature move at the half and, being excessively used in pace-making, tired and finished an easing up third. Rey Dare was shuffled to the rear at the start and closed a big gap. Alice Cary, after being in forward contention in the worst going, tired in the last quarter. Hulford dropped out suddenly in the last furlong. The winner was entered for \$400; no bid.  
 Scratched—66752 Box Elder, 109; 66638 Alma Boy, 104; 66750 Sir Carter, 109; 66733 Duellist, 109.

 Went to post at 3:51. At post 3 minutes. Start fair. Won easily; second driving; third the same.  
 Blagg, on the outside, broke striding and quickly established a long and winning lead and was not seriously menaced afterwards. Jocund, away badly, closed an immense gap into a fast going second and was easily best. Aaron J. ran in forward pursuit of the winner and stumbled into defeat for second place under a bad ride. Instructor finished an easing up fourth. Tocolaw is not ready and was never dangerous. Corn Blossom is out of place in sprints. Glendenning showed a dash of early speed and was short.  
 Scratched—66678 Isolation, 90; 66508 Rose Pompon, 87.  
 Overweights—Instructor, 3 pounds; Free Knight the Bear, 5.

 Winner—Ch. c. by Charade—Forelock (trained by J. T. Ireland).  
 Went to post at 2:32. At post 6 minutes. Start bad. Won driving; second and third the same.  
 Ida May, away well and vigorously ridden, liked the going and, standing a hard drive well, just managed to last long enough to stall off Laura Clay. The latter began slowly and was taken the longest way throughout, but finished resolutely and would have won in another stride. Lady Hapsberg had no mishaps, ran well and finished gamely. Fandango showed a smart dash of speed and will improve. Fare acted badly at the post. Stella Patton ran green. Onda and Hasty have both worked fast and are reported good ones.

Time, 2:44, 49<sup>1</sup>/<sub>2</sub>, 1:04<sup>1</sup>/<sub>2</sub>.  
 Winner—B. c. by St. Leonards II—Miss Lois (trained by J. H. Stack).  
 Went to post at 3:07. At post 8 minutes. Start good for all but Moonlight Murphy. Won easily; second driving; third the same.  
 El Tovar was restrained for the first half and, when called on, dashed by Woolstartle with ease, winning as his rider pleased. The latter broke fully in motion and displayed the most early speed, but was probably a bit short and tired near the end. Tom Anderson was close to the leader in the early stages of the race, but tired and fell back in the stretch run. J. D. Dunn finished well. Dulweher closed a big gap from a poor beginning. The winner was entered for \$400; no bid.  
 Scratched—Langston, 107.

 Winner—B. c. by Handspring—Fancy Remnant (trained by J. J. Ogles).  
 Went to post at 3:40. At post 3 minutes. Start good. Won easily; second driving; third the same.  
 Black Burn ran as if he outclassed the others in the going, moved up fast from a slow beginning and, wearing the early leaders down in the stretch, won pulled up. Nancy, poorly handled, suffered from interference in the early stages, but came fast at the end. The Bear stood a hard drive resolutely and was gaining at the end. Rose Hart, away in a tangle, closed a gap in the last quarter. Alline Cummings tired fast after going a half and is a non-stayer. Demo disliked the muddy track. The winner was entered for \$400; no bid.  
 Scratched—66643 Expect-to-See, 114.  
 Overweights—The Bear, 24 pounds.

#### NO STABLING OF THE KING'S FILLIES.

Out of Doors Since the Day They Were Weaned—Treatment is Satisfactory.

A special commissioner of London Sporting Life has been on a visit to King Edward's stud at Sandringham, and referring to the yearling fillies he writes: "From the day the youngsters were weaned they have not seen the inside of a box, being subjected to the experimental treatment of Lord Marcus Beresford, with a view of bringing them up under conditions as natural as the circumstances will permit.

"An uncovered yard has been divided into two compounds, about 28 by 14 yards, surrounded by a ten-foot fence. There is a thickly bedded straw slope at the southern end, and at the northern end there are troughs for hay, corn and water under a thatched roof twenty-two feet deep. Late in the afternoon the fillies are brought in from the paddocks and divided into the two compounds until morning.

"The severe conditions of the present winter have enabled the King and Lord Marcus Beresford to note the effects of the system, which has so far been a huge success. The youngsters have thriven all along and have been in the best of health. After the storm of December 26, when there was a whirling snowstorm from midnight until morning, they were found with their coats covered with snow, but they took it as a matter of course and did not show the smallest sign of distress. It is intended to enlarge the plan of operations at Sandringham, and a site has been selected for similar compounds for colts."

#### NOTES OF THE TURF.

C. E. Durnell is game. He says he will enter Nealon against any horse at the track in a weight for age race.—San Francisco Chronicle.

There was nothing particularly bright about the performances of those two "moon horses" that made their debuts yesterday. Full Moon unseated his rider at New Orleans and Moonlight Murphy was left at the post at Hot Springs.

If Free Knight the Bear can carry that name and win he should be voted a better horse than his daddy and he was a mighty good one. In the meantime a lot of people, without wishing his owner any bad luck, are hoping that Free Knight the Bear will drop dead.
